

Fire and Emergency Services Coordinator Report

Feb 2023

District Map: Working with Skyler and Shaw Engineering to update and improve our maps. We may include in the maps the location all propane storage tanks. Mike Callahan has offered his assistance in locating all tanks in the district.

Letter to NCA: My letter was drafted and sent to NCA regarding snow removal, keeping the roads clear, and reflective address signs. Joleen said the letter was received by Dan and was a subject of discussion at the last NCA meeting.
